

MAER-Net Colloquium 2022

Kyoto University, Kyoto, Japan

Friday 7 October - Saturday 8 October, 2022

Meta-Analysis of Economics Research Network (MAER-Net) is an international network of scholars who specialize in or use meta-analysis to understand economics, business and the social sciences.

The purpose of the colloquium is to share ideas and methods among meta-analysts and to introduce young scholars across the disciplines to this rapidly growing field.

Abstracts of presentation proposals are due June 1, 2022 to tom.stanley1@deakin.edu.au. They may be up to four pages long. For further information contact, Tom Stanley.
